A high-angle photograph shows three women sitting around a table, focused on drawing on a large sheet of white graph paper. The woman on the left wears a black and white striped shirt and a wide-brimmed straw hat with a light blue ribbon. The woman in the center wears a white shirt and a straw hat with a pink ribbon. The woman on the right wears a white polo shirt. They are using various colored markers and crayons to create a drawing that includes stylized trees, a winding path, and some text. A box of Crayola Jumbo Crayons is visible in the bottom right corner. A semi-transparent grey box containing the text 'EXPERIENTIAL LEARNING AND SKILL BUILDING' is overlaid on the right side of the image.
