

**You're invited!**

# **AIARD Presents:**

The Global Fireside Chats Webinar Series

**Thursday, February 25<sup>th</sup> from 12:00-1:00 pm Eastern via Zoom**

## **February's speakers:**

### *Dr. Kim Castelin*

Dr. Kim Castelin is an ORISE Fellow for the Centers for Disease Control and Prevention (CDC) Center for Surveillance, Epidemiology, and Laboratory Services/Office of the Director. Prior to this appointment, Kim served as a Monitoring, Evaluation, and Learning Specialist in the Office of International Programs at Washington State University (WSU). She led monitoring and evaluation activities for programming funded by the United States Agency for International Development (USAID), Department of Agriculture (USDA), and Department of State.

### *Dr. Kashi Kafle*

Dr. Kashi Kafle is an economist at [International Water Management Institute](#) (IWMI). As an applied micro-economist interested in the intersection of agriculture, poverty, and international development, Kashi researches critical topics in agricultural and development economics – poverty and inequality, food security, gender and social inclusion, climate change and agricultural water management, and migration in developing countries.

### *Dr. Kateryna Schroeder*

Dr. Kateryna Schroeder is an Agriculture Economist in the Food and Agriculture Global Practice in the Europe and Central Asia unit at the World Bank. In her work she focuses on agricultural and trade policy, and food security. She is also exploring how digital technologies can address market failures, and what is the role of public policy in facilitating this process.
